Please tick the box if you do NOT want your details passed on to other companies in the RISC OS market who may have products of interest to you.

Please deduct the following amount from my account for a One Year Subscription to the RISC OS Select Scheme.

Amount

RISC OS Select is a yearly subscription scheme for upgrades to RISC OS.

A new Subscription costs £155 for the first year in the UK from October 2006. Members of the RISC OS Foundation pay £150 in the UK.

This price is for delivery of updates via download from the RISCOS Ltd Web Site. Updates on CD are available for an additional cost of £12 per CD requested. Renewal cost is £99 for Foundation members and £104 for others in the UK. These costs are for web site only downloads.

Signature

Overseas subscribers should check the RISCOS Ltd Web Site for details

NB We are sorry but we are no longer accepting Standing Order Requests due to large number of incorrect payments by banks.
